DEPARTMENT OF THE INTERIOR
OFFICE OF OIL AND GAS
WASHINGTON, D.C. 20240

December 8, 1967

Mr. William N. Morell, Jr., Director
Office of Economic Research
Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Morell:

A regular meeting of the OECD Petroleum Advisory Committee will take place under the chairmanship of Hon. J. Cordell Moore on December 14, 1967 at 10:00 A.M. in Room 5160, the Secretary's Conference Room.

The PAC meets regularly as advisors to the U. S. Delegate to the OECD Special Committee for Oil, to discuss its agenda prior to its meeting which in this instance is scheduled for January 16/17 in Paris.

A copy of the PAC agenda is enclosed for your information. Secretary Moore will be pleased if you will accept his cordial invitation to attend, or designate a member of your staff to do so in your stead. STATINTL

Sincerely yours,

PARTICIPANTS: Mr. William M. Morell, Jr., D/OER,
Dr. [REDACTED], DD/OER, currently
25X1A detailed to [REDACTED] 25X1A
29 August 1967

1. In response to Mr. Morell's questions on the
above subject, placed earlier in the day, [REDACTED]
reported [REDACTED] officers as follows:

2. In conversation with [REDACTED]
learned that [REDACTED] had discussed at a
recent luncheon with Mr. Helms and Mr. Carl Duckett,
the DDS&T, [REDACTED] capabilities to perform external
research on subjects of interest to the Agency.
According to [REDACTED]
which is largely concerned with advanced technology,
has been doing work for the DDS&T. [REDACTED] is actually
a group that meets to discuss basic technical problems.
At the luncheon session the subject of support on
scientific and technical matters was pretty well covered.

divisions mentioned in this connection was its new [redacted] whose mission is political, and which is doing some work on the Warsaw Pact countries. [redacted] noted confidentially that he had learned that [redacted] will be heading this division, beginning in October and that Mr. Helms was aware of this fact.) The overall capabilities of this division are not known.

5. The other division, now renamed the Systems Division, was formerly the [redacted] whom [redacted] believes is known to Dr. Proctor. This is the division to which [redacted] is on detail until 1 November. Nothing specific was said at the luncheon about any work which these divisions might do for the Agency, but they were mentioned and it was suggested, "How about considering the possibility of these two divisions as well?"

6. [redacted] suggested to [redacted] that the most sensible thing to do was for the DD/I to come over, with others he wanted to bring, and get filled in on just what these [redacted] divisions can do. [redacted] said that likely persons to accompany the DD/I would be [redacted] and Mr. Bill Morell.
